Offers from Local Internet Service Providers:

Xfinity:

Xfinity WiFi hotspots located in out of home locations like small businesses will be available to anyone who needs them for free – including non-Xfinity Internet customers. For a map of Xfinity WiFi hotspots, visit xfinity.com/wifi. Once at a hotspot, consumers should select the “xfinitywifi” network name in the list of available hotspots, and then launch a browser.

Comcast:

During the coronavirus pandemic, Comcast has been looking for ways to help families through our Internet Essentials program.

Effective Monday, we are putting in place two substantial program enhancements to help low income families deal with the coronavirus crisis.

- 1. We will make it even easier for low-income families who live in a Comcast service area to sign up by offering new customers 60 days of complimentary Internet Essentials service, which is normally available to all qualified low-income households for \$9.95/month.**

2. Also, we are increasing Internet speeds for the Internet Essentials service from 15/2 Mbps to 25/3 Mbps for all new and existing customers, which will be the speed of the service going forward. In this way, we will ensure that Internet Essentials customers will be able to use their Internet service for all their increased needs as a result of this health crisis.

We want to make it as fast and simple as possible to access this service:

- **To receive the increased Internet speeds, existing customers will not need to do anything. The new speeds will be rolled out nationally over the next few days.**
- **We'll send all new customers a free self-install kit that includes a cable modem with a Wi-Fi router. There will be no term contract or credit check and no shipping fee.**
- **To sign up, applicants can simply visit <https://www.internetessentials.com>. The accessible website also includes the option to video chat with customer service agents in American Sign Language. There are also two dedicated phone numbers 1-855-846-8376 for English and 1-855-765-6995 for Spanish.**
